

**Proposed Street Names for  
Nobleton Ridge Development (Slokker)  
Residents' Comments Invited**

The previous Council, at its meeting on September 11th, 2006, considered Report JR-2006-01 regarding the naming of the streets in the Slokker Development. The previous Council deferred making a decision on the street names pending comments from the Nobleton Community on the proposal submitted. The subdivision will require 24 street names. Presently on the Township of King website, there are details about Slokker's trail theme proposal along with the Township's street naming policy and the Township's inventory of names for the Nobleton area.

The link is as follows: <http://www.king.ca/public/streetname.cfm>

The Township is looking for comments to be provided via the page on the website. I encourage you to review the information and provide input.

The deadline for comments is February 15th, 2007.
